SK 4" Submersible Pumps

Power Range:	0.37 - 7.5kW
Nominal flow rate:	1 - 16m³/h
Maximum Head:	353m
Outlet diameters:	1¼", 1½", 2"(32,40,50mm)
Impeller Material:	Noryl

SK - 401 -19

- Tesk Submersible Pump
- Nominal Diameter: 4"
- Nominal Capacity (m³/h)
- Number of stages

Applications

- Ground water pumping
- Residential water
- Wells pumping
- Municipal water
- Industrial Water
- Water Villa
- Water supply system
- Municipal water supply
- The system pressure
- Pipeline pressurization
- Spray irrigation system
- The air conditioning system
- Fire protection system
- Cooling circulation system
